B. **CULTURAL OBJECTS AND COLLECTIONS:** conservation treatment for an object or collection of objects; needs assessment of a collection with respect to its condition and strategies for improving its state of conservation; inventory of a collection for conservation and protection purposes; the creation of safe environments for a storage or display of collections; or specialized training in the care and preservation of collections.

C. **FORMS OF TRADITIONAL CULTURAL EXPRESSION:** documentation and audiovisual recording of traditional music and dance forms for broad dissemination as the means of teaching and further preserving them, or support for training in the preservation of traditional applied arts or crafts in danger of extinction.
